PRESERVE THE TEETH.
FAR better is it to cure the Toothache in minute, by using Wheeler's Teaberry Tooth Wash, than to suffer the aching; also to cure soreness of the gums, softness of the gums, stop bleeding of the gums, and always keep the teeth, gum and mouth pleasant, and in the best state of health.
To show the length of time for which this article has been patronized by the public, the following copy-right is published:
Eastern District of Pennsylvania, to wit: Be it remembered, That on the second day of February, Anno Domini, one thousand eight hundred and forty-two,
W. WHEELER, of the said District, hath deposited in this Office the Title of a Book, the title of which is in the words following, to wit:
TEABERRY TOOTH WASH.
The right whereof he claims as Proprietor, in conformity with an Act of Congress, entitled "An Act to amend the several Acts respecting Copy Rights."
FRA'S HOPKINSON, Clerk of U. S. Dist. Court.

CHAS. F. HEAZLETT.

Certificates of Magistrates of the City of Philadelphia.
Having made use of your much celebrated Teaberry Tooth Wash, I feel convinced that it is the best article I have ever known, and hereby warmly recommend its use to the public in general as a pleasant and efficacious article for preserving the Teeth and Gums.
ROBERT E. JOHNSTON.
For a number of years my Teeth and Gums were so much out of order as to prevent me from eating with pleasure, and caused me much pain. Having heard of Wheeler's Teaberry Tooth Wash, I do certify that I tried one small bottle of it, and in less than two weeks my Teeth and Gums were sound and good. I believe that the use of it would be an advantage to many others.
J. BRAZER.

Certificates of Members of the Philadelphia Bar.
Having used Wheeler's Teaberry Tooth Wash and powder, I have found them to possess cleansing and purifying properties, and while they whiten and beautify the Teeth, they have a beneficial effect upon the gums, by imparting to them free and healthful action.
F. A. RAYNOLD.
I have used Wheeler's Teaberry Tooth Wash, and its effects upon my Teeth and Gums have given to me a high opinion of its merits. I cheerfully recommend it to the general use.
H. R. KNEASS.

Certificates of Ladies and Gentlemen of Philadelphia.
It is with gratitude that I send the following certificate, hoping that many who suffer will be led by a perusal of it, to obtain Wheeler's Teaberry Tooth Wash, which article I used, and it has effectually cured tooth ache, soreness of the gums, removed scurf from my teeth, and I fully believe has entirely arrested all decay of them. I trust that all who suffer, having either of the same species of complaint, will as soon as possible use Wheeler's Teaberry Tooth Wash, that they may be relieved.
JULIANA CUTHRAL.
Owing to having taken cold, but mostly in consequence of the acid of a paint used in coloring prints, my teeth became very much injured, giving excruciating pain at intervals, for between two and three years. Wheeler's Teaberry Tooth Wash was used, and has entirely cured them, which, in certificate form, I send, that those who wish a perfect remedy for painful teeth, and also desire a pleasant Tooth Wash, may with confidence try Wheeler's Teaberry Tooth Wash.
MARY A. TAYLOR.

Wheeler's Teaberry Tooth Wash having removed scurf and cured soreness of the gums, which had troubled me for two years, it is my belief that it is a highly useful article, and that it is advisable to those who suffer with the teeth and gums to make use of it.
MARY SULLIVAN.
Your Teaberry Tooth Wash cured the tooth ache and also soreness of the gums in my family, and I send you this certificate that those who suffer with tooth ache or soreness of the gums may know that it is a remedy for them, and a very pleasant Tooth Wash.
W. Wheeler.
FRA'S. PREVOST.

Wheeler's Teaberry Tooth Wash having cured soreness of the gums, and effectually stopped bleeding of the gums, I deem it a debt of gratitude for the relief which it afforded me, and a duty owed to my fellow beings, to say, that it is my firm conviction, that those who will use Wheeler's Teaberry Tooth Wash, for the teeth and gums, will find that it is an important article.
THOMAS J. McCURDY.
From much severe suffering of myself, and others of my family, with decayed Teeth and sore Gums, and the many respectable testimonials highly in favor of Wheeler's Teaberry Tooth Wash, I was induced to give it a trial, after which my family used it, and I rejoice to say that it did perform a thorough and effectual cure for all, and is the best article that I ever knew of. I would recommend its use to those who may be suffering.
JESSE MOORE.
W. Wheeler.

Many more testimonials are existing approving of "Wheeler's Teaberry Tooth Wash."

Colleton Bitters.
THESE Bitters are purely a vegetable compound, and are offered to the public from principle of benevolence, under the fullest conviction that they will be found a safe and sovereign remedy for Dyspepsia. They have been triumphantly tested, not only by some of the most respectable families and physicians in the State of South Carolina, who have furnished ample testimony as to their decided excellence, but also by the proprietor, who, for ten years, suffered all the gloom incident to that stubborn and distressing disease.
They possess the peculiar excellence, denied to most other Bitters, of not proving injurious by continued use. They contain not a single deleterious ingredient, and, as seen from the directions which accompany each bottle, may be given with entire safety to an infant in the month.
I have been familiar with the use of the Colleton Bitters for four or five years, and in that time I have seen it administered in several cases of dyspepsia, and always with decided advantage. Beyond this, as it only claims to cure dyspepsia, I know not that any testimony is desired, but I may be permitted to remark that I consider it an excellent tonic, applicable to most cases of debility, particularly among children. Such are the cases in which I have generally administered it, and I am not acquainted with any medicine which I would prefer before it for that purpose.
W. H. WIGG.
BLUFFTON, S. C., Dec. 15, 1843.

I have used the Colleton Bitters in a most aggravated case of Dyspepsia—the patient having used but three bottles, when he experienced the greatest benefit. I have likewise used it in chronic rheumatism, and have since learned of another case in which it proved beneficial. I believe it a valuable medicine in the chronic period of either of the above diseases.
THOMAS CURTIS, M.D.
JOHN'S ISLAND, S. C., September, 1838.

I do certify that I was much afflicted with most violent headache. No remedy could give me any relief. The "Colleton Bitters" was recommended, but I must confess that I had very little faith in them as a cure for headache, and did not try them until my suffering was so great that I could endure it no longer. I was then persuaded by a friend to try one dose, and do affirm that in about half an hour I was entirely relieved. Since then I have never failed to take them when required. They have always afforded relief. You are at liberty to publish this for the benefit of those who may suffer from the same cause, hoping they may receive as much benefit as I have done by the use of this valuable medicine.
